Dear Gentlemen,

Thank you for submitting your renewal packet promptly. We appreciate the services that your agency is providing to the Court and community around Domestic Violence in Marin County.

We have found you to be very responsive and accountable in providing services to batterers and in communicating with our Probation staff. We look forward to your program's continued growth and in working with you to help end domestic violence in our community.

Your renewal request for continuing services as a Batterers' Treatment Program in Marin County has been approved for year 2011.

Your next certification date will be January 1, 2012.

Sincerely,

Matt Perry  
Probation Supervisor
